

Name, Surname:

VLADIMIR, SIMOVIC

Nationality:

Serbian

Current Position:

Automation Supervisor

Danieli Seniority:

7 YEARS, 2 MONTHS

Seniority in Metal Industry:

7 YEARS, 3 MONTHS

Languages:

English : Proficient
Serbian : Proficient
French : Beginner
Russian : Beginner

Techs:

Simatic Manager (Step7/Tia) : Proficient
WinCC : Proficient
Microsoft Office (Word, Excel, Power Point, Visio) : Proficient
InTouch : Moderate
Profinet, Profibus and Ethernet Networks : Proficient

Contacts:

Home Mobile : /-/
E-Mail: v.simovic@systec.danieli.

Professional experience:

2018/Current	Danieli Systec Engineering, Niš, Serbia - PLC/ Scada SW development and commissioning in steel industry - Automation Supervisor
2018/2018	Faculty of Electronic Engineering, Niš, Serbia - Student Internship - PCB board design
2018/2018	Danieli Systec d.o.o. Osijek, Croatia - Student Internship - PLC/ Scada SW development
2016/2016	DMV d.o.o. , Niš, Serbia - Student Internship - PCB design

Achievements:

2025	PROJECT NAME: BISCO DRP - Direct reduction plant CUSTOMER: IRAN, BUTIA IRANIAN STEEL CO. WORK DESCRIPTION: Software development PLC AREA: Process Gas Heater PLC, Safety PLC PLATFORM: Simatic Step7 PCS7 v10, HMI WinCC 8 POSITIONS: Team leader & Software developer
2024	PROJECT NAME: Salcos DRP - Direct reduction plant CUSTOMER: Salzgitter, Energiron WORK DESCRIPTION: Software development PLC AREA: WTP PLC PLATFORM: Simatic Step7 PCS7, HMI WinCC 7,5 POSITIONS: Software developer
2024	PROJECT NAME: Standardization DRP - Direct reduction plant CUSTOMER: Tenova WORK DESCRIPTION: Software development PLC AREA: Core Area PLC, Process Gas Heater PLC PLATFORM: Simatic Step7 PCS7, HMI WinCC 7,5 POSITIONS: Software developer
2023	PROJECT NAME: Rolling Mill - Pipe mill CUSTOMER: OMK Vyksa steel works, PLACE: Vyksa, Russia WORK DESCRIPTION: Commissioning on site PLC AREA: Pipe finishing line area- LD81C1(Cooling bad entry and exit area), LD81C2(Removal and Cutting line 1), LD81C3 (Auxiliary and Cutting line 2), D15BAD(Blowing station line 1), G15BAD(Blowing station line 2) PLATFORM: TiaPortal15.1, HMI WinCC 7.5, Zenon 7.5
2022	PROJECT NAME: DRP - Direct reduction plant CUSTOMER: Ezz Steel PLACE: Suez, Egypt WORK DESCRIPTION: Education about new technology PLC AREA: Material handling PLC, Reactor Solids PLC, Reformer PLC, Gas treatment PLC, WTP PLC, Safety PLC PLATFORM: Simatic Step7 PCS7, HMI WinCC POSITIONS: Seminar participant
2022	PROJECT NAME: GSP - Gas cleaning plant CUSTOMER: Arcelomittal PLACE: Kryvy Rih, Ukraine WORK DESCRIPTION: Software development PLC AREA: Pump House - Common PLC PLATFORM: Simatic Step7 Multi-project S7-400H, HMI WinCC 7.5 Sp 1, KEP Server EX POSITIONS: Software developer
2021	PROJECT NAME: Blast Furnace No.3 - Steel making CUSTOMER: Metalloinvest Ural Steel PLACE: Novotroick, Russia WORK DESCRIPTION: Commissioning on site - Revamping PLC AREA: Top Charging, Stock House, Pump House, Furnace Cooling, Natural Gas, Above burden probe PLATFORM: Simatic Step7 Multi-project S7-400H, HMI WinCC 7.4 Server-Client, Process Historian POSITIONS: Automation coordinator/ Automation Supervisor/ Software developer
2020	PROJECT NAME: Blast Furnace No.2 - Steel making CUSTOMER: Metalloinvest Ural Steel PLACE: Novotroick, Russia WORK DESCRIPTION: Commissioning on site - Revamping

Personal CV - VLADIMIR, SIMOVIC

	PLC AREA: Pump House, Furnace Cooling, Natural Gas, Above burden probe PLATFORM: Simatic Step7 Multi-project S7-400H, HMI WinCC 7.4 Server-Client, Process Historian POSITIONS: Automation Supervisor/ Software developer
2019	PROJECT NAME: Rolling Mill - Pipe mill CUSTOMER: OMK Vyksa steel works, PLACE: Vyksa, Russia WORK DESCRIPTION: Commissioning on site PLC AREA: Pipe finishing line area PLATFORM: Simatic Step7 S7-300, HMI WinCC 7.3
2019	PROJECT NAME: Rolling Mill - Pipe mill CUSTOMER: OMK Vyksa steel works, PLACE: Vyksa, Russia WORK DESCRIPTION: Commissioning on site PLC AREA: Heat treatment line PLATFORM: Simatic Step7 S7-300, HMI WinCC 7.3

Education:

2020	Faculty of Electronic Engineering, University of Niš, Serbia: Master Degree Master Engineer of Electrical Engineering and Computing, Control Systems
2017	Faculty of Electronic Engineering, University of Niš, Serbia: Bachelor Degree Control Systems (UPS)

Certifications, Licences and Training:

2020	SQL Bootcamp with MySQL, PHP & Python
2020	Learning Python

Strengths:

- Ambitious, Precise, Persistent
- Full of working spirit

Areas of Development:

- Leadership, Team work, Productivity, Creativity

Personal Interests:

- Automation, Technology, Electrical and Robotic
